MIXOLOGY MADE EASY

Transform ordinary alcohol into extraordinary infused spirits,
cocktails and bitters.

ALKEMISTA

Alkemista is an all-in-one infusion vessel that enables anyone to create and serve fresh, custom crafted spirits at home or in a bar. Alkemista's ultra-fine stainless steel filter gently introduces the flavors and aromas of fruits, spices, herbs and botanicals into spirits — while preventing unwanted particles from entering the infusion. And the filter is easily removable — transforming the Alkemista into an elegant serving vessel.

FEATURES:

- 950ml lab-grade borosilicate glass
- Ultra-fine stainless steel filter
- Tritan® and stainless steel base
- Instruction + recipe booklet
- Removable label pack

VAGNBYS COLLECTION

MEET VAGNBYS

Three generations of award-winning Danish design come together in this collection of world-class wine, champagne and home accessories products.

"We develop products for VAGNBYS based on our own love of a good glass of wine, usually with family and dear friends. We love to live and enjoy life, which is the philosophy VAGNBYS is built upon!"

- Marcus Vagnby

GREAT AWAKENINGS

7-IN-1 WINE DECANTIERE

This 7-in-1 must-have tool for wine lovers instantly awakens and decants wine as you pour from the bottle. The Wine Decantiere's award-winning design slips snugly over the neck of the bottle while concealing any wayward foil or unseemly bottle threads. The built-in filter removes wine stone and cork residue and the airtight stopper preserves any remaining wine for later enjoyment.

PARTY FAVOR

WINE TABLE TOWER

The Wine Tower beautifully showcases your favorite wine at your next party or event—even if the wine came from a box. Guests can help themselves to a glass without spilling a drop. And, the integrated “rain filter” aerates wine as it is filled from the top. Made of borosilicate glass, stainless steel, silicone and a slate base.

CHAMPAGNE

SLICE OF HEAVEN

CHAMPAGNE SABER

The modern saber designed to instill fear in every champagne bottleneck. This tribute to the saber merges the blade, grip and guard into one seamless piece of stainless steel. The molded handle and hearty blade offer a perfectly balanced swing and effortless neck release with every opening.
