F/W 2017

Distributed in Canada by The Tate Group 416-504-8047 [www.thetategroup.com](http://www.thetategroup.com)

SOAP & PAPER FACTORY has a new logo and a new look. This catalog illustrates who we are and what we are about.

We love our sweet company! Soap & Paper Factory continues to amaze us as we reflect on owning and running a small business for 16 years!

We have changed and grown through the years — the days of sipping rosé while the soap cures in Lisa's basement are long gone, but what hasn't changed is our mission.

**OUR MISSION:** *To formulate using the finest, most natural ingredients sourced within the USA and, if possible, locally. To design the most beautiful packaging, keeping in mind the earth and limiting waste. To purchase from reliable and honest suppliers within the USA and, if possible, locally.*

We always strive for natural, beautiful formulations that are giving and nurturing to the skin; fragrances that evoke emotion and energy; and packaging that is unique, artful, and inspiring.

Over the years, our family has grown, and we are so grateful to our supporters and everyone who has worked with us: our families, stores, friends, manufacturers, reps and show family. And to our incredible staff here at the factory — to Karen, Tricky, Cez, Sady, Bernadette, Jessica, and The Toe — we say thank you. Thank you also to our amazing photographer, Angel Tucker.

And thanks to all of you for making S&PF the brand it has become today!
