Bike Balls Opening Program  
25 Balls and POP

The original **Bike Balls**, with improved design! Bike Balls naturally bob-around while you ride, boosting your visibility and safety in a hilarious way.

Features a new mounting loop that effortlessly attaches on the back of your bike seat (or backpack, tent, stroller, almost anything!) Built for rough riding - water / splash resistant construction.

Gently squeeze **Bike Balls** to turn the light on and switch between the solid/-flashing modes. Gently squeeze again to turn the **Bike Balls** off.

Other Details:

- High-grade silicone body with integrated strap and on/off switch
- Single red LED with three light modes - solid / slow flashing / fast flashing
- 360-degree glow
- Includes batteries (2xCR2032)
