WONDERS
BIG SMART

PEGGY, AVI & KIDDOS

OUR MISSION

Play for Joy

Our products have joy & whimsy that also happens to spark imagination and curiosity.

Yay, science!

We know that even a little science opens your inquisitiveness to learn more!

Play for Design

Our packaging has never been typical. Our products are at home on the shelves of the best toy, museum, and specialty gift stores. We proudly see our wares in the most beautiful & well-curated shops.

Play for Discovery

Play is a way kids discover themselves and the world.

With our items you build a model, experiment with chemistry, forge new worlds with a bouncy ball, or brew your own soda.

Our toys & activities develop and exercise problem-solving, fine motor skills, organization, concentration, and so much more!

Play for All

At its best, play is free from limits. So, we strive for items that don't box you in!

Multi-age appeal

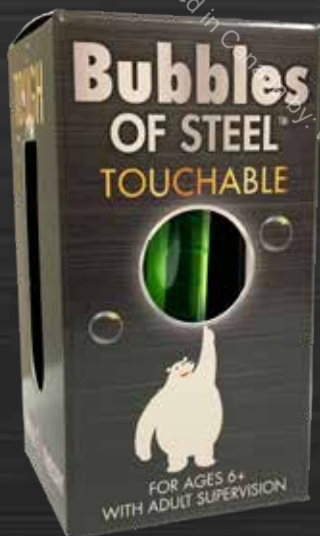

inspires generations to play and learn together. **Gender-neutral design** empowers you to pursue interests independent of stereotypes and decide for yourself what is fun.

Nerdy awesome

Toys that scratch your inner geek & stretch what toys can and should be.

Bubbles OF STEEL

TOUGH TOUCHABLE HEROIC

BEST SELLER

BUBBLES OF STEEL

These bubbles are heroic! Hows that? Well these bubbles can be touched and they wont pop. These are tough bubs. You can make bubbly stacks or even bubble sculptures. Sometimes you find a little bubble weeks later, just sitting there being... not your basic bubble.

Physics made adorable.
