DYNOMIGHTY WALLETS

The Mighty Wallet is tear-resistant, water-resistant, expandable and recyclable. Made from Tyvek• (think express mail envelopes), these cool wallets resist tearing because of thousands of interlocking plastic fibers spun in random patterns, giving them incredible strength. The ingenious origami construction was and is the original folded wallet made of Tyvek• designed by Terrence Kelleman. Specs• 2 large pockets for cash and receipts. • 2 credit card pockets that expand to hold lots of cards. • 2 quick access business card pockets. • 4 writable business cards included. • open - 8" w x 3.25" h x .125" d • 0.6 oz
