We've got the goods™

The image shows a modern spa or salon interior. In the foreground, there is a large, dark wood reception desk with a white base. Behind it, there are white cabinets and a counter. To the right, there are treatment stations with white cabinets and dark wood tops. A black leather bench is visible on the right side. The floor is polished and reflective. The ceiling has recessed lighting. A purple text box is overlaid in the center of the image.

[Skeem Design Price List](#)

Design based perfumes, soaps and more.

Wood Block Collection

Inspired by the carved wood blocks used in the art of textile design this modern collection features candles, perfumes, room spray and incense.

Palo Santo Collection

Palo Santo is a sustainably cultivated wood that has natural aromatic properties in its resin. Traditionally burned to ward off bad energy, calm and cleanse the body and mind and to bring good fortune to those who use it. Includes wood, room spray, candles, soap and perfumes.

MYSTERY

If you like a little suspense, then this one's for you. What can it be? It's our little secret.

ORANGE CREAMSICLE

The divine duo! Fresh squeezed fruity orange, magically swirled with delicious vanilla sweet cream. Oh so dreamy!

PIÑA COLADA

Juicy pineapple • creamy coconut - a match made in island heaven! Plan your escape!

NEW FLAVOR

PISTACHIO

All it's cracked up to be! Sweetly roasted, green nutty goodness. Creamy • delightful. Shell yeah!

RASPBERRY SORBET

This might just be the perfect pair! Sweet berry meet citrus tartness. Yep, opposites do attract!

RUBY RED GRAPEFRUIT

Meet the fruit love child of a refreshing pomelo • juicy orange. We bet this would be Dorothy's fave!

SPEARMINT

Mint's sweeter side. Cool, crisp lip tingling mint! Like a breath of fresh air..Ahh!

SPICED CHAI

What's savory, spicy • zesty? This tea! An Indian specialty blending cardamom, ginger • star anise. It's a must chai!

Fragrance has an emotional dimension. It is able to transport, stir emotion, and bring up memories long lost in the corners of your mind. Fragrance is also a powerful way to present yourself that you just can't find any other way.

At Penn Chemists, we use rare and exotic fragrance oils and blend them with natural soy, coconut and beeswax, ensuring for more compelling and lasting scents that are unfamiliar, yet mysteriously distinct.

Penn Chemists....makers of the finest fragrant remedies and aromatic invigorators since 1898. A trial will prove their merits.
